Remarks

This preliminary amendment renumbers the dependency of certain pending claims. This amendment was necessitated by the indication by the Examiner that the pending claims contained in the paper copy of the application as filed contained two claims number 28 and two claims number 41. Accordingly, the claims were renumbered by the Examiner, and this amendment corrects the dependency of the claims. The numbering of the claims reflects the correct numbering, e.g., claim 48 corresponds to claim 46 as originally filed. No new matter has been added.

Conclusion

If a telephone conversation with Applicant's Attorney would expedite prosecution of the above-identified application, the Examiner is urged to call the undersigned at (617) 832-1000.

Respectfully submitted,
